DOSAGE GUIDE

Weight	Daily Dosage Size
30-50 lbs.	½ tablet twice daily
50+ lbs.	1 tablet twice daily

Usage: Chew or dissolve tablets in your mouth. For children, crush tablets and sprinkle onto tongue.

Regimen Jump-Start & Symptom Flare-Ups: You may safely increase dosage up to 3x daily until symptoms improve or as directed by your healthcare professional. Excessive dosage may cause mild digestive discomfort.

Prescription Medications: Synaptol may be used safely with other OTC or prescription medications. However, as with any changes in your health regimen, we recommend you inform your doctor of your choice to use Synaptol.

Side Effects: Synaptol is a homeopathic medication. According to NCCAM, "homeopathic remedies in high dilution, taken under supervision of trained professionals, are generally considered safe and unlikely to cause severe adverse reactions.

If you believe you are experiencing a rare side effect or allergic reaction to Synaptol, please discontinue use, consult your healthcare

professional immediately, and then contact our customer service department.

For Added Focus & Behavior Support: Please consider adding B-Balanced DMG™ to your daily regimen. With a blend of B vitamins, minerals, and nutrient powerhouse DMG, B-Balanced DMG delivers safe, natural support for healthy brain function and behavior.**

Keep with the Program: We encourage you to take Synaptol twice daily for at least 30 days alongside a healthy diet and exercise regimen. Keep a detailed journal to evaluate your progress. To share your results with us, please visit www.hellofife.net/reviews or email us at service@hellofife.net and let us know how we're doing.

We Guarantee Satisfaction with Synaptol. Please visit www.hellofife.net/terms-of-service/ for a copy of our return policy.
